# Frequently Asked Questions

## **What is a Life Group?**

A Life Group is a group of people that get together on a regular basis to serve, learn, and have fun, but most importantly to help each other live the life God intended.

## **Can I switch to a different Life Group?**

Yep! Each Life Group will have an entry point 3-4 times a year.

## **How long does a Life Group last?**

Each Life Group is different. Some only last 6 weeks, some run for an entire semester, and some run continuously. You can choose a group that fits your schedule.

## **Is every Life Group a Bible study?**

Nope, there are all kinds of Life Groups: Bible studies, outreach teams, special interest groups, sports teams... just about anything you may be interested in!

## **How do I join a Life Group?**

You can turn in the enclosed sign-up card and have the group leader contact you for more information, or if you have all the info you need, and if no registration is required, just show up at the time and place mentioned.

## **Can I join a Life Group if I'm not a member of Shoreline Church?**

Of course! That would be really cool, actually.

## **Do I have to join a Life Group to be part of Shoreline Church?**

No, that's silly. But it IS the best way to experience what we're all about, and the Christian walk is much easier when you're surrounded by friends to support, encourage, and challenge you.

## **Can I join more than one Life Group?**

Yes, but we believe you will have the best experience if you are committed to only one or two.

**One** of the three primary ways to connect here at Shoreline is through Life Groups. We're very excited to offer so many different Life Groups this fall, for everyone in all walks of life. I'm confident that you will find the group that best fits you and your interest. I also want to remind you that if there is a group you think we're "missing" you are capable and qualified to lead one yourself! Just talk to me (217-9495) to find out how to start a group when the spring semester comes around.

Here's to helping you connect with each other!
